It consists of 75 questions to be answered in 45 minutes, covering topics such as usage/mechanics and rhetorical skills. A firm grasp of the test format and content areas is vital for efficient preparation.

Test Format and Question Types

The English section features multiple-choice questions that assess grammar rules, sentence structure, and the effectiveness of language use. Questions are divided into two primary categories: Usage/Mechanics, which covers grammar, punctuation, and sentence structure, and Rhetorical Skills, which evaluates organization, style, and tone. Understanding these categories helps students anticipate the types of questions they will encounter.

Importance of Mastering Grammar and Rhetorical Skills

Mastery of grammar rules and rhetorical skills is essential for achieving a high score on the ACT English section.
