Background of "The Harvest Gypsies"

"The Harvest Gypsies" is a series of articles written by John Steinbeck in 1936, documenting the lives of migrant farm workers in California during the Great Depression. These articles were published in the San Francisco News and later compiled into a cohesive narrative that exposes the harsh realities faced by displaced agricultural laborers. Steinbeck's work provides a vivid portrayal of poverty, exploitation, and resilience among the so-called "Okies" and "Arkies" who traveled westward in search of work. Understanding this historical and social context is vital when consulting the excerpt from the harvest gypsies answer key, as it helps clarify the conditions Steinbeck aimed to highlight and critique.

Historical Context

The Dust Bowl and economic collapse of the 1930s forced thousands of families to abandon their homes and seek employment in California's agricultural fields. Steinbeck's articles capture this migration and the resulting societal challenges, including discrimination, poor living conditions, and labor abuses. The answer key often references this backdrop to explain the motivations and experiences of the characters and communities described.

John Steinbeck's Narrative Approach

Steinbeck blends journalism with literary storytelling to create an empathetic and compelling account of the harvest gypsies.
